

A low-angle, upward-looking photograph of a bright yellow building facade. A window with red wooden shutters is visible in the upper right. Below the window, a large, dark red rectangular sign with white, bold, sans-serif lettering reads "CAFÉ DU NORD". The sign is mounted on the wall and has a slight 3D effect. To the left, another building is partially visible, featuring a smaller red sign that also says "CAFÉ DU NORD" and a vertical white sign with illegible text. The sky is blue with wispy white clouds.
